5. The above concessions (clauses 2 to 4 of I and 2 to 4 of II) do not apply to those who appear only for the Group A subjects or Group B subjects under the compartmental system. 6. The concession of the compartmental system is limited to those who having appeared for the Mysore S. S. L. C. Public Examination in both the groups, have obtained satisfactory marks in either of the groups according to the standards fixed in I (1) or II (1).

7. The moderation of the marks obtained by a holder of a secondary school-leaving certificate for the purpose of the above rules will be effected as follows:—

The individual mark gained by him for the last year at school in each subject will be multiplied by the average mark for the school at the Public Examination and the result divided by the average mark of his class for the last year at school. The figure thus obtained will be added to the individual mark gained by him at the Public Examination and the total will then be divided by two to obtain the final moderated mark.
